The information in this Offer Booklet is not a prospectus or product disclosure statement, disclosure document or other offering document under the Corporations Act (or any other law) and has not been lodged with the Australian Securities and Investments Commission (**ASIC**). This Offer Booklet does not contain all of the information which would be required to be disclosed in a prospectus or a product disclosure statement. As a result, it is important for you to read and understand the publicly available information on the Issuer and the Entitlement Offer (for example, the information available on the Issuer's website or on the Australian Securities Exchange (ASX) website at [www.asx.com.au](http://www.asx.com.au)) prior to deciding whether to accept your Entitlement and apply for New Shares. This Offer Booklet is for information purposes only and does not constitute financial product advice or investment advice nor a recommendation to acquire New Shares, and has been prepared without taking into account your investment objectives, financial situation or particular needs.

To the extent any financial product advice that is general advice is provided in or in connection with this Offer Booklet and in connection with the Entitlement Offer, the Manager is the provider of that advice.

There may be additional announcements made by the Issuer after the open of the Entitlement Offer on 26 May 2026 and throughout the period that the Entitlement Offer is open that may be relevant to your consideration of whether to take up or do nothing in respect of your Entitlement. Therefore, it is prudent that you check whether any further announcements have been made by the Issuer (by visiting the ASX website at [www.asx.com.au](http://www.asx.com.au)) before submitting your Application to take up your Entitlement or doing nothing with your Entitlement.

This Offer Booklet should be read in its entirety (including your personalised Entitlement and Acceptance Form) before you decide whether to participate in the Entitlement Offer.

In particular, the Investor Presentation in the Appendix to this Offer Booklet as well as Section 5 of the Issuer's Prospectus details important factors and risks that could affect the financial and operating performance of the Issuer. Please also refer to the "Risk Factors" section of the Investor Presentation for details. When making an investment decision in connection with the Entitlement Offer, it is essential that you consider these risk factors carefully in light of your individual personal circumstances, including any financial and taxation issues.

In addition to reading this Offer Booklet in conjunction with the Issuer's other periodic and continuous disclosure announcements, you should conduct your own independent review, investigations and analysis of the Issuer and the New Shares and obtain any professional advice you require to evaluate the merits and risks of an investment in the Issuer before making any investment decision.

By paying for your New Shares through BPAY or EFT (as applicable) in accordance with the instructions in the Entitlement and Acceptance Form, you acknowledge that you have read this Offer Booklet and you have acted in accordance with and agree to the terms of the Entitlement Offer detailed in this Offer Booklet.

## **No cooling-off rights**

Cooling-off rights do not apply to an investment in New Shares offered under the Offer. This means that, in most circumstances, you cannot withdraw your Application once it has been submitted.

## **No Entitlements trading**

The Entitlements are non-renounceable and cannot be traded on ASX or any other exchange, nor can they be privately transferred.

## **Future performance**

This Offer Booklet contains or may contain certain forward-looking statements. The words, 'expect', 'anticipate', 'estimate', 'intend', 'believe', 'guidance', 'should', 'could', 'may', 'will', 'predict', 'plan', 'forecast' and similar expressions are intended to identify forward-looking statements. Any indications of, and guidance on, future operating performance and estimates, earnings, financial position and performance and estimates concerning the timing and success of strategies, plans or intentions are also forward-looking statements. Forward-looking statements, opinions and estimates provided in this Offer Booklet are based on assumptions and contingencies which are subject to change without notice, as are statements about market and

Actual results, performance or achievements could be significantly different from those expressed in, or implied by, these forward-looking statements. No representation, warranty or assurance (express or implied) is given or made in relation to any forward-looking statement by any person (including the Issuer or Manager or any of their respective advisers or any of the Joint Lead Managers). In particular, no representation, warranty or assurance (express or implied) is given that the occurrence of the events expressed or implied in any forward-looking statements in this Offer Booklet will actually occur. Any forward-looking statements contained in this Offer Booklet are based on an assessment of present economic and operating conditions and on a number of assumptions regarding future events and actions that, at the date of this Offer Booklet, are anticipated to take place. The Issuer may not achieve or perform as forecast as a result of factors, both known and unknown, including (but not limited to) one or a combination of the risks outlined in this Offer Booklet.

Actual operations, results, performance, targets or achievements may vary materially from any projections and forward-looking statements and the assumptions on which those statements are based.

There will be tax implications associated with participating in the Entitlement Offer and receiving New Shares. Section 9 provides an overview of the Australian tax implications of the Entitlement Offer for certain Eligible Shareholders. The guide is expressed in general terms and does not take account of the individual circumstances of particular Eligible Shareholders and does not constitute tax advice. The Issuer recommends that you consult with your professional tax adviser in connection with the Entitlement Offer.

Dear Shareholder,

## **2 for 5 pro-rata non-renounceable entitlement offer of New Shares at A\$1.22 per New Share and Shortfall Offer to raise up to approximately \$108 million**

The Board of Directors is pleased to invite you to participate in an offer to acquire new ordinary shares (**New Shares**) in Whitefield Income Limited ACN 658 702 222 (**Whitefield Income**) at an issue price of A\$1.22 per New Share (**Issue Price**), to raise gross proceeds of up to approximately \$108 million (**Entitlement Offer**).

The Issue Price represents a 11.4% discount to the volume-weighted average market price of Shares traded on ASX over the 5 trading days up to, and including, Monday, 18 May 2026.

Under the Entitlement Offer, Eligible Shareholders (as defined in Section 1.1 of this Offer Booklet) are being offered the opportunity to subscribe for 2 New Shares for every 5 existing ordinary shares held on the Record Date of 7.00pm (Sydney time) on Friday, 22 May 2026 (**Entitlement**). New Shares issued will rank equally with Existing Shares.

### **Top-Up Facility**

As part of the Entitlement Offer, Eligible Shareholders who take up their Entitlement in full may also apply for additional New Shares in excess of their Entitlement (**Additional New Shares**), being those Shares that have not been taken up by Eligible Shareholders in full or in part (**Top-Up Facility**). Any New Shares not applied for by Eligible Shareholders under their Entitlement will be included in the Top-Up Facility.

Applications for Additional New Shares under the Top-Up Facility will be allocated by the Board (in its sole discretion) and will be subject to scale back (where applicable).

### **Shortfall Offer**

In connection with the Entitlement Offer, if there remains any shortfall of New Shares not applied for following the Entitlement Offer (including following the allocation of Additional New Shares under the Top-Up Facility, which will be subject to the discretion of the Board, including with respect to any scale backs), the Board reserves the right to issue all or any of those New Shares to Wholesale Investors under a shortfall facility in accordance with the allocation policy described in Section 1.4 of this Offer Booklet up to the intended maximum number of New Shares (**Shortfall Offer**) (together with the Entitlement Offer, the **Offer**) within 3 months of the closing date of the Entitlement Offer. Any New Shares to be issued under the Shortfall Offer (**Shortfall Shares**) will be offered at a price that is not less than the Issue Price.

Shortly before the date of this Offer Booklet, Whitefield Income undertook a Shortfall Offer bookbuild which attracted strong support from both existing and new Wholesale Investors, as announced to the ASX on 21 May 2026.

### **How to apply**

To apply for New Shares under the Offer, you need to ensure that you have completed your application by paying the Issue Price multiplied by the number of New Shares that you are applying for (Application Monies) by BPAY, or if you are an Eligible Shareholder residing in New Zealand, by BPAY or EFT.

**The closing date for the receipt of your Application Monies for the Entitlement Offer is 5.00pm (Sydney time) on Thursday, 4 June 2026.**

Shareholders should consider this Offer Booklet in its entirety before deciding to invest in New Shares. In particular, you should read and consider the "Risk Factors" section of the Investor Presentation included in the Appendix to this Offer Booklet and section 5 of the Prospectus, which contain a summary of some of the key risks associated with an investment in Whitefield Income. Shareholders who are in any doubt as to how they should respond to this Offer should consult their stockbroker, accountant, solicitor or other independent professional adviser.

If you have any questions about the Offer or require assistance, please do not hesitate to contact Whitefield Income's Share Registry, Computershare Investor Services Pty Limited via the Offer Information Line on 1300 850 505 (within Australia) or +61 3 9415 4000 (from outside Australia).

## 1. Details of the offer

### 1.1. The Entitlement Offer

The Issuer is conducting a 2 for 5 pro-rata non-renounceable entitlement offer to existing Shareholders as at the Record Date in Australia and New Zealand, including the ability to subscribe for Additional New Shares under the Top-Up Facility, at the Issue Price of A\$1.22 per New Share.

Each Eligible Shareholder is entitled to subscribe for 2 New Shares for every 5 Existing Shares held on the Record Date. The Entitlement Offer is non-renounceable. This means that Shareholders who do not take up their Entitlements by 5.00pm (Sydney time) on the Closing Date of Thursday, 4 June 2026, will not receive any payment or value for those Entitlements, and their proportionate equity interest in the Issuer will be diluted. The Entitlement Offer is being made under section 708AA of the Corporations Act (as modified by *ASIC Corporations (Non-Traditional Rights Issues) Instrument 2026/98* and any 'technical relief instrument' as defined in *ASIC Corporations (Disregarding Technical Relief) Instrument 2026/180*) which allows rights issues to be offered without a prospectus, provided certain conditions are satisfied. As such, this Offer Booklet does not contain all of the information which may be required in order to make an informed decision regarding an Application for New Shares offered under the Entitlement Offer. As a result, it is important for you to read carefully and understand the information on the Issuer and the Entitlement Offer made publicly available, including the information lodged by the Issuer with ASX as part of its continuous disclosure obligations, prior to deciding whether to take up all or some of your Entitlement or do nothing in respect of your Entitlement. In particular, please refer to this Offer Booklet and other announcements made available at [www.asx.com.au](http://www.asx.com.au) (including announcements which may be made by the Issuer after publication of this Offer Booklet).

The Entitlement Offer is not underwritten. Morgans Financial Limited (ACN 010 669 726; AFSL 235410), Taylor Collison Limited (ACN 008 172 450; AFSL 247083) and Ord Minnett Limited (ACN 002 733 048; AFSL 237121) have been appointed as the Joint Lead Arrangers to manage the Entitlement Offer pursuant to an offer management agreement. The Joint Lead Managers comprise the Joint Lead Arrangers and Commonwealth Securities Limited (ACN 067 254 399; AFSL 238814), Canaccord Genuity (Australia) Limited (ACN 075 071 466; AFSL 234666), and Shaw and Partners Limited (ACN 003 221 583; AFSL 236048). Co-manager of the Offer is Bell Potter Securities Limited (ACN 006 390 772; AFSL 243480).

The number of New Shares to which you are entitled is shown on the offer website or your personalised Entitlement and Acceptance Form. If you have more than one registered holding of Shares, you will have more than one personalised Entitlement and Acceptance Form and you will have separate Entitlements for each separate holding.

Fractional entitlements to New Shares will be rounded down to the nearest whole number of New Shares.

New Shares issued under the Entitlement Offer will be fully paid and rank equally with Existing Shares, including for any dividends and distributions on the same basis as Existing Shares, after the respective dates of issue of the New Shares. If you take no action, you will not be allocated any New Shares, and your Entitlement will lapse.

To qualify for the Entitlement Offer, you must:

- a) be registered as a Shareholder at 7.00pm (Sydney time) on the Record Date;
- b) have an address in Australia or New Zealand as recorded on the Issuer's share register as at the Record Date;
- c) not be in the United States and not be acting for the account or benefit of a person in the United States (to the extent such a person holds Shares in the Issuer for the account or benefit of such persons in the United States); and
- d) be eligible under all applicable securities laws to receive an offer under the Entitlement Offer without any requirement for a prospectus, product disclosure statement or other formal offer document to be lodged or registered,

**(Eligible Shareholder).**

Shareholders who are not Eligible Shareholders are Ineligible Shareholders. The Issuer reserves the right to determine whether a Shareholder is an Eligible Shareholder or an Ineligible Shareholder.

By making a payment by BPAY or EFT, you will be taken to have represented and warranted that you satisfy each of the criteria listed above to be an Eligible Shareholder. Nominees, trustees or custodians are therefore advised to obtain independent professional advice as to how to proceed.

By receiving this Offer Booklet, you will be taken to have acknowledged and agreed that determination of eligibility of Shareholders for the purposes of the Entitlement Offer is determined by reference to a number of matters, including legal and regulatory requirements, logistical and registry constraints and the discretion of the Issuer. The Manager and the Joint Lead Managers and each of their respective related bodies corporate and affiliates and any of their respective officers, directors, employees, partners, advisers, contractors or agents disclaim any duty or liability (including for negligence or otherwise) in respect of that determination and the exercise or otherwise of that discretion, to the maximum extent permitted by law.

## **SCALE-BACK – ENTITLEMENT OFFER**

The Issuer intends to raise up to approximately A\$108 million by the issue of New Shares under the Entitlement Offer. However, if total demand for the Offer exceeds the maximum raise (approximately A\$108 million), the Board may in its absolute discretion, undertake a scale back to the extent and in the manner it sees fit. If there is a scale back, you may not receive all the New Shares for which you have applied. If there is a scale back, the difference between the Application Monies received from you, and the number of New Shares issued to you multiplied by the Issue Price, will be refunded to you in full, unless the amount is less than A\$2.00. See Section 2.6 for further details on refunds.

### **1.2. Purpose of the Offer**

Proceeds are being raised for the purpose of investment in accordance with Whitefield Income's investment strategy as more fully described in the Issuer's Prospectus that was released on the ASX on 9 December 2024.

To the extent that the approximately A\$108 million sought is not raised under the Offer, there will be a proportionate reduction in investment.

### **1.3. Top-Up Facility**

Eligible Shareholders who take up their Entitlements in full may also apply for Additional New Shares in excess of their Entitlement at the Issue Price in the 'Top-Up Facility' (**Top-Up Facility**). Please note that New Shares in excess of Entitlements will only be allocated to Eligible Shareholders if there are sufficient New Shares available and to the extent that the Issuer determines in its absolute discretion based on the Allocation Policy outlined below.

Any New Shares in excess of Entitlements will be limited by the Allocation Policy and also to the extent that there are sufficient New Shares from Eligible Shareholders who do not take up their full Entitlements. Subject to the following, the Issuer may apply a scale-back (in its absolute discretion).

## **ALLOCATION POLICY**

The Allocation Policy is that each Eligible Shareholder that:

- a) takes up their Entitlement in full; and
- b) subscribes for Additional New Shares under the Top-Up Facility,

will be allocated the number of Additional New Shares they apply for (including by the payment of the requisite application money). However, there may be a scale-back applied if the Top-Up Facility is oversubscribed.

In addition, Eligible Shareholders should be aware that:

- a) there is no guarantee that any application in the Top-Up Facility will be successful, and the Issuer reserves the right to issue any shortfall by way of the Top-Up Facility or by other means (including pursuant to the Shortfall Offer) and reserves the right to satisfy applications in the Top-Up Facility in its sole and complete discretion, including by applying a scale-back mechanism;
- b) the Top-Up Facility has the same closing date as the Entitlement Offer (being, 5.00pm (Sydney time) on Thursday, 4 June 2026);
- c) the issue price of Additional New Shares under the Top-Up Facility is the same as the Issue Price, ie. A\$1.22 per Additional New Share; and
- d) the Issuer will not issue Additional New Shares under the Top-Up Facility where to do so would result in a breach of the Constitution, the Corporations Act or the ASX Listing Rules.

## **SCALE-BACK – TOP-UP FACILITY**

If there are applications for Additional New Shares under the Top-Up Facility, the Issuer reserves the right to scale back applications for Additional New Shares under the Top-Up Facility.

In the event of a scale-back, the difference between the Application Monies received, and the number of Additional New Shares allocated to you multiplied by the Issue Price will be refunded following allotment. No interest will be paid on any Application Monies received and returned.

## 1.4. Shortfall Offer

The Issuer intends to offer any New Shares not taken up by Eligible Shareholders under the Entitlement Offer (including under the Top-Up Facility) at a price that is not less than the Issue Price to existing and new Wholesale Investors (**Shortfall Offer**) within 3 months of the closing date of the Entitlement Offer. The Shortfall Offer will close on 4 June 2026 and the Shortfall Shares are expected to be issued on 12 June 2026.

The Shortfall Offer comprises the following key terms:

- a) it is only open to Wholesale Investors in Australia or New Zealand (and the Company retains discretion to offer to Wholesale Investors outside Australia on the basis set out in Section 1.10) and who have received an invitation from their broker or a Joint Lead Manager to participate. The Shortfall Offer is not open to any person in the United States;
- b) no general public offer of New Shares will be made under the Shortfall Offer; and
- c) New Shares issued pursuant to the Shortfall Offer will rank equally with Existing Shares, including for any dividends and distributions on the same basis as Existing Shares, after the respective dates of issue of the New Shares.

Shortly prior to the date of this Offer Booklet, the Issuer undertook a Shortfall Offer bookbuild which attracted strong support from both existing shareholders and new Wholesale Investors, as announced to the ASX on 21 May 2026.

If there remains any shortfall of New Shares following the Entitlement Offer and you receive an invitation to participate in the Shortfall Offer from your broker or the Manager and wish to apply for New Shares under the Shortfall Offer, you should contact your broker or the Manager for information on how to complete and lodge your Shortfall Offer Application Form.

The Issuer's allocation policy for the Shortfall Offer (as set out below) will be to encourage new Wholesale Investors into the Issuer with a view to broadening its investor base. However, there is no guarantee that any application in the Shortfall Offer will be successful and the Issuer reserves the right to satisfy applications in the Shortfall Offer in accordance with the allocation policy below, including by applying a scale-back mechanism (if applicable).

### SHORTFALL ALLOCATION POLICY

The Issuer reserves the right, subject to the requirements of the ASX Listing Rules and the Corporations Act, to issue all or any of the New Shares under the Shortfall Offer to existing and new Wholesale Investors, in accordance with the following shortfall allocation policy. Allocation of the Shortfall Securities to Wholesale Investors will be determined by agreement between the Company, the Manager and the Joint Lead Managers (each acting reasonably) in accordance with the allocation policy described in this Offer Booklet.

When considering allocations under the Shortfall Offer, the Issuer, the Manager and the Joint Lead Managers may consider factors such as the size and timing of applications, the applicant's shareholding history, likelihood of long-term support for the Issuer, and the need to comply with regulatory requirements under the Corporations Act and ASX Listing Rules.

### SCALE-BACK – SHORTFALL OFFER

If the Shortfall Offer is oversubscribed, the Issuer reserves the right to scale back applications for New Shares in consultation with the Manager and the Joint Lead Managers.

In the event of a scale-back, the difference between the Application Monies received, and the number of New Shares allocated to you under the Shortfall Offer multiplied by the issue price for the Shortfall Offer will be refunded following allotment. See Section 2.6 for further details on refunds. No interest will be paid on any Application Monies received and returned.

## 1.5. Underwriting

The Entitlement Offer and the Shortfall Offer are not underwritten but are offer managed by the Joint Lead Managers.

## 1.6. No minimum subscription condition

There is no minimum subscription condition for the Offer.

## 1.7. Issue of New Shares

New Shares offered under the Entitlement Offer and Shortfall Offer (if any) are expected to be issued on or about Friday, 12 June 2026, with trading commencing on ASX on or about Monday, 15 June 2026 (subject to variation at the discretion of the Issuer and subject to ASX granting permission to quotation).

Fractional entitlements to New Shares will be rounded down to the nearest whole number of New Shares.

The Issuer reserves the right (in its absolute discretion) to reduce the number of New Shares allocated to Eligible Shareholders, or persons claiming to be Eligible Shareholders, if their claims prove to be overstated or otherwise incorrect or if they fail to provide information to substantiate their claims.

## **1.8. ASX quotation**

The Issuer will apply for official quotation of New Shares issued under this Offer Booklet. If permission for quotation is not granted by the ASX, the New Shares will not be issued, and Application Monies will be refunded (without interest) as soon as practicable.

## **1.9. Market prices for Shares on ASX**

The Issue Price of A\$1.22 per New Share under the Entitlement Offer represents a 11.4% discount to the volume-weighted market average price of Shares traded on ASX over the 5 trading days up to, and including, Monday, 18 May 2026.

## **1.10. Foreign Shareholders**

The New Shares being offered under this Entitlement Offer are being offered to Existing Shareholders with registered addresses in Australia or New Zealand. In respect of the Shortfall Offer, the New Shares may be offered to Wholesale Investors in Australia and New Zealand and other Wholesale Investors outside Australia and New Zealand to whom an offer or issue of New Shares may be lawfully made under the applicable laws of the relevant foreign jurisdiction without lodgement, registration, approval or filing with a Governmental Agency or other formality (other than one which the Company is willing to comply), in those jurisdictions (**Permitted Jurisdictions**).

The Offer will not be offered to Ineligible Shareholders. The issuer has determined that it is not economically viable to make offers to Ineligible Shareholders due to the cost of meeting compliance requirements with securities laws in each applicable jurisdiction in which Ineligible Shareholders reside. The Issuer reserves the right in its absolute discretion to offer the Offer to a Shareholder with an address in the Issuer's share register outside Australia or New Zealand if the Issuer is satisfied that it is not precluded from lawfully issuing New Shares to that Shareholder either unconditionally or after compliance with conditions which the Issuer in its sole discretion regards as acceptable.

This Offer Booklet does not constitute an offer of New Shares in any place in which, or to any person to whom, it would not be lawful to make such an offer. No action has been taken to register the New Shares or otherwise permit an offering of New Shares in any jurisdiction outside of Australia or New Zealand.

The distribution of this Offer Booklet outside Australia or New Zealand is restricted by law. In particular, this Offer Booklet or any copy of it must not be distributed or released in the United States. If you come into possession of this Offer Booklet, you must observe any such restrictions. Any failure to comply with such restrictions may contravene applicable securities laws.

Please refer to Section 7 of this Offer Booklet for further information in relation to the foreign jurisdictions in which this Offer may be made.

## **1.11. Nominees and custodians**

Nominees with registered addresses in the Permitted Jurisdictions may also be able to participate in the Entitlement Offer in respect of some or all of the beneficiaries on whose behalf they hold Shares, provided that the applicable beneficiary would satisfy the criteria for an Eligible Shareholder.

Due to legal restrictions, nominees and custodians may not send copies of this Offer Booklet or accept the Entitlement Offer on behalf of any person in the United States, or any other jurisdiction outside Australia or New Zealand except, with the consent of the Issuer, to beneficial Shareholders resident in certain other countries where the Manager may determine it is lawful and practical to make the Offer. The Issuer is not required to determine whether or not any registered Shareholder is acting as a nominee or the identity or residence of any beneficial owners of Existing Shares.

Nominees and custodians may contact the Offer Information Line on 1300 850 505 (within Australia) or +61 3 9415 4000 (outside Australia) to obtain the custodian certificate template.

## **1.12. Taxation**

You should be aware that there may be taxation implications associated with participating in the Offer and receiving New Shares (and any Additional New Shares).

Shareholders should consult their professional tax adviser in connection with subscribing for New Shares (and any Additional New Shares) under this Offer Booklet.

A general overview of the Australian tax implications of investing in the Issuer is set out in Section 9. The information in Section 9 is not intended as a substitute for investors obtaining independent tax advice in relation to their personal circumstances.

### **1.13. Risks**

There are a number of risks associated with an investment in the Issuer which may affect its financial performance, financial position, cash flows, distributions, growth prospects and Share price. You should consider the key risk factors which are set out in the Risk Factors section of the Investor Presentation included in this Offer Booklet, as well as in Section 5 of the Issuer's Prospectus.

### **1.14. Regular reporting and disclosure**

The Issuer is a 'disclosing entity' under the Corporations Act and is subject to regular reporting and disclosure obligations under the Corporations Act and the ASX Listing Rules, including the preparation of annual reports and half yearly reports. The Issuer is required to notify the ASX of information about specific events and matters as they arise for the purposes of the ASX making that information available to the securities markets conducted by the ASX. In particular, The Issuer has an obligation under the ASX Listing Rules (subject to certain exceptions) to notify the ASX immediately of any information of which it is or becomes aware which a reasonable person would expect to have a material effect on the price or value of its securities. That information is available to the public from the ASX and can be accessed at [www.asx.com.au](http://www.asx.com.au).

Some documents are required to be lodged with ASIC in relation to the Issuer. These documents may be obtained from, or inspected at, an ASIC office.

You should also have regard to any further announcements which may be made by the Issuer to ASX after the date of this Offer Booklet.

### **1.15. Rights and liabilities attaching to New Shares**

New Shares and any Additional New Shares issued under the Offer will be fully paid ordinary shares of the Issuer and will rank equally with all Existing Shares, including for any dividends and distributions on the same basis as Existing Shares, after the respective dates of issue of the New Shares.

The rights and liabilities attaching to Shares are set out in the Constitution and are regulated by the Corporations Act, the general law, the ASX Listing Rules and the ASX Settlement Rules.

### **1.16. Disclaimer**

No person is authorised to give any information or make any representation in connection with the Offer, which is not contained in this Offer Booklet. Neither the Issuer, the Manager, nor any person associated with the Issuer (including the Joint Lead Managers Parties) guarantees or warrants the future performance of the Issuer, the Shares, the return on an investment made under this Offer Booklet, the repayment of capital or the payment of distributions on the New Shares. ### **1.18. Privacy**

Information is collected to administer your Shares. Your personal information (which may include your HIN or SRN in respect of your Shares) may be disclosed to the Issuer, its related entities or service providers (including the Share Registry), the Manager or the Joint Lead Managers and their respective related bodies corporate, agents, contractors and third party service providers, the ASX and regulatory bodies. You can obtain access to your personal information by contacting the Share Registry at the address or telephone number listed in the corporate directory. ## **1.19. Governing Law**

This Offer Booklet, the Offer and the contracts formed on acceptance of the Applications are governed by the laws applicable in New South Wales, Australia. Each Eligible Shareholder who submits an Application submits to the non-exclusive jurisdiction of the courts of New South Wales, Australia.

**If you pay by BPAY you do not need to return the Entitlement and Acceptance Form.**

#### **EFT**

If you are an Eligible Shareholder with a registered address in New Zealand and you are unable to make payment by BPAY, you can access EFT instructions online at [www.investorcentre.com/au](http://www.investorcentre.com/au) or by calling the Offer Information Line. Also, if you are an Eligible Shareholder with a registered address in Australia and you do not have an account that supports BPAY transactions, please contact the Offer Information Line on 1300 850 505 (from within Australia) or +61 3 9415 4000 (from outside Australia) at any time between 8.30am and 5.00pm (Sydney time) on Monday to Friday (excluding public holidays) to obtain instructions to submit payment by EFT.

**If you pay by EFT you do not need to return the Entitlement and Acceptance Form.**

You need to ensure your BPAY or EFT payment is received by the Share Registry by no later than 5.00pm (Sydney time) on Thursday, 4 June 2026. Applicants should be aware that their own financial institution may implement early cut off times with regard to electronic payments and therefore they should take this into consideration when making payment. It is the responsibility of each applicant to ensure that funds submitted through BPAY or EFT are received by the close of the Entitlement Offer.

### 2.2. Payment

The Issue Price of A\$1.22 per New Share is payable on exercise of your Entitlement. For all Eligible Shareholders payments must be received by 5.00pm (Sydney time) on Thursday, 4 June 2026 (or such other date as may be determined by the Issuer).

Payment will only be accepted in Australian currency and must be:

Cash, cheques, bank drafts and money order payments will not be accepted. Receipts for payment will not be issued.

If you provide insufficient funds to meet the Application Monies due to take up all or part of your Entitlement, you may be taken by the Issuer to have applied for such lower number of New Shares as your cleared Application Monies will pay, or your Application may be rejected.

If you pay for more than your full Entitlement, you will be deemed by the Issuer to have applied for as many Additional New Shares as your excess amount will pay for in full (subject to the Allocation Policy and any scale-back determined by the Issuer in its absolute discretion).

Any Application Monies received for more than your final allocation of New Shares and Additional New Shares will be refunded to you as soon as practicable (only where the amount is A\$2.00 or greater). See Section 2.6 for further information on refunds. You are not entitled to any interest that accrues on any Application Monies received or returned (wholly or partially).

#### **ELIGIBLE SHAREHOLDERS MAY PAY THROUGH BPAY**

Australian Eligible Shareholders and New Zealand Eligible Shareholders with an Australian bank account may pay through BPAY. Payment by BPAY should be made in accordance with the instructions set out on the offer website at [www.computersharecas.com.au/whi](http://www.computersharecas.com.au/whi) or on the Entitlement and Acceptance Form and must be received by no later than 5.00pm (Sydney time) on Thursday, 4 June 2026 (or such other date as may be determined by the Issuer). Applicants should be aware that their own financial institution may implement earlier cut off times with regard to electronic payment. Applicants should therefore take this into consideration when making payment. It is the responsibility of each Applicant to ensure that funds submitted through BPAY are received by this time.

If you are paying by BPAY, please make sure to use the specific Biller Code and unique Customer Reference Number on your Entitlement and Acceptance Form. If you receive more than one Entitlement and Acceptance Form, please only use the Customer Reference Number specific to the Entitlement on that form. You must use the reference number shown on each Entitlement and Acceptance Form to pay for each holding separately. If you inadvertently use the same Customer Reference Number for more than one of your Entitlements, you will be deemed to have applied only for New Shares (and Additional New Shares) on the Entitlement to which that Customer Reference Number applies. If you pay by BPAY and do not pay for your full Entitlement, your remaining Entitlements will lapse.

**If you make your payment by BPAY you do not need to lodge the Entitlement and Acceptance Form.** Your BPAY payment, once received by the Share Registry, cannot be withdrawn.

**If you make your payment by BPAY, you need to ensure your payment is received by the Share Registry by no later than 5.00pm (Sydney time) on Thursday, 4 June 2026. The Issuer reserves the right to reject any Application if your Application Monies are not received on time.**

#### **ELIGIBLE SHAREHOLDERS MAY PAY VIA EFT**

If you are an Eligible Shareholder and you do not have an account that supports BPAY transactions, then you may pay via EFT.

If you are paying by EFT, you should:

- ensure that you use the unique Customer Reference Number supplied with your personalised Entitlement and Acceptance Form online at [www.investorcentre.com/au](http://www.investorcentre.com/au) (for Eligible Shareholders with a registered address in New Zealand) or obtained via the Offer Information Line (for Eligible Shareholders with a registered address in Australia);
- submit payment for the total amount which corresponds to the number of New Shares and Additional New Shares (if applicable) you wish to apply for under each Application. Note that your financial institution may apply limits on your use of EFT or deduct fees. You should inquire about any limits or fees that may apply in your personal situation;
- record your transfer receipt number and date paid. Retain these details for your records; and
- check with your financial institution in relation to their EFT closing times that your payment will be received no later than 5.00pm (Sydney time) on Thursday, 4 June 2026. It is the responsibility of each Applicant to ensure that funds submitted by EFT are received by this time.

**If you make your payment by EFT you do not need to lodge the Entitlement and Acceptance Form.** Your EFT payment, once received by the Share Registry, cannot be withdrawn.

**If you make your payment by EFT, you need to ensure your payment is received by the Share Registry by no later than 5.00pm (Sydney time) on Thursday, 4 June 2026. The Issuer reserves the right to reject any Application if your Application Monies are not received on time.**

### **2.3. Declining all or part of your Entitlement**

If you decide not to take up any or part of your Entitlement, any Entitlement or part thereof which is unexercised will lapse and may be taken up by Eligible Shareholders under the Top-Up Facility or placed to applicants under the Shortfall Offer. Your Entitlement to participate in the Entitlement Offer is non-

renounceable and cannot be traded on the ASX or any other financial markets, nor can it be privately transferred.

If you decide not to participate in the Entitlement Offer at all, you do not need to fill out or return the Entitlement and Acceptance Form. By allowing your Entitlement to lapse, you will forgo any exposure to increases or decreases in the value of the New Shares had you taken up your Entitlement and you will not receive any value for your Entitlement. Your proportionate interest in the Issuer will also be diluted to the extent that New Shares are issued under the Entitlement Offer or Shortfall Offer.

## **2.4. Ineligible Shareholders**

If you are an Ineligible Shareholder, you may not take up any of, or do anything in relation to, your Entitlement under the Entitlement Offer.

## **2.5. Warranties made on participation in the Offer**

By making a payment by BPAY or EFT, you will also be deemed to have agreed, acknowledged, represented and warranted to each of the Issuer, Manager and the Joint Lead Managers, on your own behalf and on behalf of each person on whose account you are acting that you:

- a) have fully read and understood both this Offer Booklet and your Entitlement and Acceptance Form in their entirety and you acknowledge the matters and make the warranties and representations and agreements contained in this Offer Booklet and the Entitlement and Acceptance Form (including, without limitation, the privacy disclosure in section 1.18 of this Offer Booklet);

- e) agree that:
  - (i) eligibility of investors for the purposes of the Entitlement Offer is determined by reference to a number of matters, including legal and regulatory requirements, logistical and registry constraints and the discretion of the Issuer; and
  - (ii) each of the Issuer, Manager and/or the Joint Lead Managers, and each of their respective affiliates disclaim any duty or liability (including for negligence) in respect of that determination and the exercise or otherwise of that discretion, to the maximum extent permitted by law;
- f) declare that you are over 18 years of age (if you are an individual) and have full legal capacity and power to perform all your rights and obligations under the Entitlement and Acceptance Form;
- g) acknowledge that once the Issuer receives your payment of Application Monies you may not withdraw your Application or Application Monies provided except as allowed by law;
- h) agree to apply for and be issued up to the number of New Shares (and any Additional Shares) for which you have submitted payment of any Application Monies via BPAY or EFT at the Issue Price per New Share;
- i) agree to being allocated and issued the number of New Shares and Additional New Shares applied for (or a lower number allocated in a way described in this Offer Booklet), or no New Shares at all;
- j) acknowledge and accept the terms of the Top-Up Facility and Allocation Policy, if you apply for Additional New Shares;
- k) authorise the Issuer, the Manager, the Joint Lead Managers, the Share Registry and their respective officers or agents to do anything on your behalf necessary for New Shares (and any Additional New Shares (if applicable)) to be issued to you, including to act on instructions of the Share Registry;

- m) in respect of Eligible Shareholders only, acknowledge that the information contained in this Offer Booklet and your personalised Entitlement and Acceptance Form is not investment advice or financial product advice nor has it been prepared taking into account your investment objectives, financial circumstances or particular needs or circumstances;
- n) in respect of Eligible Shareholders only, you acknowledge that this Offer Booklet and your personalised Entitlement and Acceptance Form is not a recommendation that New Shares (including

- Additional New Shares) are suitable for you given your investment objectives, financial situation or particular needs;

If you take up and pay for all or part of your Entitlement on or before 5.00pm (Sydney time) on the Closing Date, you will be issued your New Shares on or about Friday, 12 June 2026, but they will only commence trading on ASX on a normal basis on or about Monday, 15 June 2026. If you apply for Additional New Shares under the Top-Up Facility then, to the extent your application for Additional New Shares is accepted (in whole or part), you will be issued the Additional New Shares on the same day. The Issuer's decision on the number (if any) of Additional New Shares to be allocated to you will be final and binding.

New Shares (if any) under the Shortfall Offer will be issued on or about Friday, 12 June 2026.

## 4. Risk factors

### 4.1. Introduction

An investment in the Issuer carries risk. Before subscribing for New Shares and any Additional New Shares, Shareholders should carefully consider and evaluate the Issuer and its business and whether the New Shares and Additional New Shares (as applicable) are suitable to acquire having regard to their own investment objectives and financial circumstances and taking into consideration the material risk factors.

In particular, Shareholders should consider the risk factors outlined in the Risk Factors section of the Investor Presentation included in this Offer Booklet as well as Section 5 of the Prospectus, any of which could affect the operating and financial performance of the Issuer or the value of an investment in the Issuer. The risk factors set out in the Risk Factors section of the Investor Presentation and Section 5 of the Prospectus are not exhaustive.

You should consult your stockbroker, accountant, solicitor, tax adviser or other independent professional adviser to evaluate whether or not to participate in the Offer.

### 4.2. Share trading

It is expected that New Shares issued under the Entitlement Offer and Shortfall Offer will be quoted on a deferred settlement basis from market open on Friday, 5 June 2026. It is the responsibility of each Eligible Shareholder applying for New Shares to confirm their holding before trading those New Shares on a deferred settlement basis.

The Issuer has applied to ASX for the grant of official quotation of the New Shares and Additional New Shares. It is expected that normal trading on the ASX will commence in relation to New Shares and Additional New Shares issued under the Entitlement Offer on Monday, 15 June 2026. The Issuer, the Manager and the Joint Lead Managers will have no responsibility and disclaim all liability (to the maximum extent permitted by law, including for negligence) to persons who trade New Shares or Additional New Shares before the New Shares are quoted on the official list of the ASX or before they receive their written confirmation of issue, whether on the basis of confirmation of the allocation provided by the Issuer, the Manager, the Share Registry or the Joint Lead Managers. Neither ASIC nor ASX accepts any responsibility for any statement in this Offer Booklet.

### 4.3. New Zealand Shareholders

New Zealand Shareholders should also consider the taxation and currency risks associated with investing in New Shares. The taxation treatment of Australian financial products is not the same as for New Zealand financial products. The offer of New Shares may involve a currency exchange risk as they will be quoted on the ASX in Australian dollars.

If you are uncertain about whether this investment is appropriate for you, you should seek the advice of an appropriately qualified financial adviser.

### 5. Eligible Shareholders

The information in this Offer Booklet contains an offer of New Shares to Eligible Shareholders in Australia or New Zealand and has been prepared in accordance with section 708AA of the Corporations Act as modified by *ASIC Corporations (Non-Traditional Rights Issues) Instrument 2026/98* and any 'technical relief instrument' as defined in *ASIC Corporations (Disregarding Technical Relief) Instrument 2026/180*. Please refer to Section 1.1 for Eligible Shareholder criteria.

The Entitlement Offer is not being extended to any Shareholders outside Australia or New Zealand, other than potentially to institutional Shareholders and Shareholders selected by the Issuer in certain foreign jurisdictions. By making a payment through BPAY or EFT, you will be taken to have represented and warranted that you satisfy each of the Eligible Shareholder criteria, including making the warranties and representations in Section 2.5.

### 6. Not investment advice or financial product advice

The Entitlement Offer to which the information in this Offer Booklet relates complies with the requirements of section 708AA of the Corporations Act as modified by *ASIC Corporations (Non-Traditional Rights Issues) Instrument 2026/98* and any 'technical relief instrument' as defined in *ASIC Corporations (Disregarding Technical Relief) Instrument 2026/180*. The information in this Offer Booklet is not a prospectus, product disclosure statement, disclosure document or other offering document under the Corporations Act (or any other law) and has not been lodged with ASIC. It is also not financial product advice and has been prepared without taking into account your investment objectives, financial circumstances or particular needs. Because of that, readers of this Offer Booklet should, before acting on any information contained in this Offer Booklet, consider the appropriateness of that information, having regard to their objectives, financial situation and needs.

The information in this Offer Booklet does not purport to contain all the information that you may require to evaluate a possible Application for New Shares or Additional New Shares, nor does it contain all the information which would be required in a prospectus or product disclosure statement prepared in accordance with the requirements of the Corporations Act. It should be read in conjunction with the Prospectus, which is available at [www.whitefield.com.au/whitefield-income](http://www.whitefield.com.au/whitefield-income), as well as other periodic statements and continuous disclosure announcements lodged with the ASX in respect of the Issuer, which are available at [www.asx.com.au](http://www.asx.com.au). The information in this Offer Booklet does not take into account your investment objectives, financial situation or needs or those of any particular investor. Before deciding whether to apply for New Shares or Additional New Shares, you should consider whether they are a suitable investment for you in light of your own investment objectives and financial objectives and having regard to the merits or risks involved. You should conduct your own independent review, investigation and analysis of the Shares, the subject of the Offer.

If, after reading this Offer Booklet, you have any questions about the Offer, you should contact your stockbroker, accountant, solicitor, tax adviser or other independent professional adviser. You should obtain any professional advice you require to evaluate the merits and risks of an investment in the Shares before making any investment decision based on your investment objectives.

### 7. Foreign jurisdictions

The information in this Offer Booklet, the Investor Presentation, any accompanying ASX announcements and the Entitlement and Acceptance Form does not constitute an offer in any jurisdiction in which, or to any person to whom, it would not be lawful to make such an offer. No action has been taken to register the New Shares or Additional New Shares or otherwise permit a public offering of the New Shares or Additional New Shares in any jurisdiction outside of Australia. Submission of payment by BPAY or EFT will be taken by the Issuer to constitute a representation by you that there has been no breach of any such laws.

The distribution of this Offer Booklet outside Australia or New Zealand is restricted by law. In particular, this Offer Booklet or any copy of it must not be taken into or distributed or released to any person in the United States or any other jurisdiction outside Australia or New Zealand.

## NEW ZEALAND

The New Shares are not being offered within New Zealand other than (i) in respect of the Entitlement Offer, to existing Shareholders with registered addresses in New Zealand to whom the offer of the New Shares is being made in reliance on the Financial Markets Conduct (Incidental Offers) Exemption Notice 2021 and (ii) in respect of the Shortfall Offer, to Wholesale Investors.

This Offer Booklet has been prepared in compliance with Australian law and has not been registered, filed with or approved by any New Zealand regulatory authority under or in connection with the FMC Act. This Offer Booklet is not a product disclosure statement or other disclosure document under New Zealand law and is not required to, and may not, contain all the information that a product disclosure statement under New Zealand law is required to contain.

## 8. Expenses of the Offer

The Issuer has entered into an Offer Management Agreement with the Joint Lead Managers. The estimated aggregate fees payable to the Joint Lead Managers under the Offer Management Agreement are up to 2.25% (exclusive of GST) of the proceeds from the Offer and also an arranger fee of \$225,000 (exclusive of GST) split equally between the Joint Lead Managers.

The Appendix 3B released to the ASX on 19 May 2026 also includes details of fees payable to the Joint Lead Managers in connection with the Entitlement Offer and Shortfall Offer.

## 9. Australian Taxation Considerations

### 9.1. General

The statements in this Section 9 are a general summary of the Australian income tax, goods and services tax (**GST**) and stamp duty implications associated with the Entitlement Offer and subscription of New Shares for certain Eligible Shareholders.

This summary is general in nature and does not take account of the individual circumstances, financial objectives, tax positions, or investment needs of particular Eligible Shareholders and does not constitute tax advice. The tax implications associated with subscribing for New Shares will vary depending on your particular circumstances. Neither the Issuer nor any of its officers or employees, nor its taxation or other advisers, accepts any liability or responsibility in respect of any statement concerning taxation consequences, or in respect of the taxation consequences.

This taxation summary does not constitute financial product advice as defined in the Corporations Act. This summary is confined to Australian taxation issues and is only one of the matters you need to consider when making a decision about your investments.

You should consult your own professional tax adviser regarding the consequences of subscribing to New Shares to you in light of your particular circumstances.

The information provided below is not applicable to all Eligible Shareholders. This tax summary deals only with the Australian taxation implications associated with subscribing for the New Shares if you:

- are a resident for Australian income tax purposes; and
- hold your New Shares on capital account.

This summary will not apply to you if you:

- are not a resident for Australian income tax purposes;
- hold your New Shares on 'revenue account' or as 'trading stock' (as defined in *the Income Tax Assessment Act 1997 (Cth)* (**the 1997 Act**), such as share trading entities or entities who acquired their New Shares for the primary purpose of resale at a profit);
- are subject to special tax rules, such as partnerships, tax exempt organisations, insurance companies, non-complying superannuation funds, temporary residents, dealers in securities or Shareholders who change their tax residency while holding their New Shares;
- acquired the New Shares in respect of which the Entitlements are issued under any employee share scheme or where the New Shares are acquired pursuant to any employee share scheme, and where those shares remain subject to deferred taxation under Division 83A of the 1997 Act (other than where those Shares are no longer subject to any relevant employee share scheme rules); and/or
- are subject to the taxation of financial arrangement rules in Division 230 of the 1997 Act in relation to gains and losses on your New Shares.

This summary is based on the provisions of the *Income Tax Assessment Act 1936 (Cth)* and the 1997 Act as at the date of this Offer Booklet. The summary does not take into account or anticipate changes in Australian

tax law or future judicial interpretations of law after this time. The laws are complex and subject to change periodically, as is their interpretation by the courts and the tax authorities. The summary also does not take into account tax legislation of any country other than Australia.

On Tuesday 12 May 2026, the Federal Budget announcement included the proposed cessation of the 50% capital gains discount system and the introduction of a cost base indexation system for certain investors from 1 July 2027. These changes are not legislated and limited details on the changes are currently available. The proposed changes do not appear to impact the Company's tax position.

## **9.2. Issue of Entitlements**

The issue of the Entitlement should not, of itself, result in any amount being included in your assessable income, on the basis that the Entitlements should satisfy the requirements in section 59-40 of the ITAA 1997 Act and should therefore be treated as non-assessable non-exempt income..

## **9.3. Exercise of Entitlements**

You should not derive any assessable income, or make any capital gain or loss, if you take up (i.e. exercise) all or some of your Entitlements and you acquire New Shares.

The cost base (and reduced cost base) for capital gains tax (**CGT**) purposes of each New Share should include the Issue Price for those New Shares plus certain non-deductible incidental costs you incur in acquiring them.

For CGT purposes, the date that the New Shares should be treated as having been acquired is the date of exercising the Entitlement.

## **9.4. Entitlements not taken up**

Any Entitlements not taken up under the Entitlement Offer will lapse and the Eligible Shareholder will not receive any consideration. In these circumstances, there should not be any tax implications for an Eligible Shareholder from the lapse of all or some of their Entitlements.

## **9.5. Dividends on New Shares**

Generally speaking, future dividends paid or other distributions made in respect of New Shares should be subject to the same tax issues as dividends paid or other distributions made on Existing Shares held in the same circumstances.

## **9.6. Disposal of New Shares**

A disposal of a New Share will trigger a taxable CGT event A1.

Broadly, you will:

- make a 'capital gain' if the capital proceeds received from the disposal exceed the cost base of the New Share;
- make a 'capital loss' if the capital proceeds from the disposal are less than the reduced cost base of the New Share.

The capital proceeds received from the disposal of the New Shares will generally be equal to the consideration received on disposal. The cost base of New Shares is described above in Section 9.3.

Generally, Eligible Shareholders who are individuals, trustees or complying superannuation entities that have held the New Shares for at least 12 months prior to the time of disposal (not including the date of acquisition or disposal) should be entitled to apply the applicable CGT discount to reduce the capital gain (after offsetting any available capital losses and subject to certain integrity rules).

The applicable CGT discount is 50% for individuals and trusts, or 33<sup>1</sup>/<sub>3</sub>% for Australian complying superannuation entities. The CGT discount is not available for companies.

Based on the acquisition date of the New Shares (as described in Section 9.3 above), in order to be eligible for the CGT discount on the disposal of a New Share, the New Share must be held for at least 12 months after the date that you exercised your Entitlement.

If you make a capital loss, you can only use that loss to offset capital gains from other sources; i.e. the capital loss cannot be used against assessable income on revenue account. However, if the capital loss cannot be used in a particular income year it can be carried forward to reduce capital gains you derive in future income years. Specific capital loss recoupment rules apply to companies to restrict their ability to utilise capital losses in future years in some circumstances.

As the rules relating to discount capital gains for trusts are complex, the Issuer recommends that trustees seek their own independent advice on how the CGT discount provisions will apply to them and the trust's beneficiaries.

### **9.7. Goods and Services Tax (GST)**

There should be no Australian GST payable by Eligible Shareholders in respect of the issue or taking up of Entitlements or the acquisition of New Shares, pursuant to the Entitlement Offer.

### **9.8. Duty**

There should be no stamp duty payable by Eligible Shareholders on the acquisition of New Shares provided each Eligible Shareholder, and any related persons, do not hold, as a result of such acquisition, 90% or more of the interests in the Issuer.

### **9.9. Tax file number (TFN) and Australian Business Number (ABN)**

The Issuer is required to deduct withholding tax from payments of dividends that are not 100% franked, at the rate specified in the *Taxation Administration Regulations 2017 (Cth)* (currently 47%), and remit such amounts to the ATO, unless you have quoted a TFN or an ABN, or a relevant exemption applies (and has been notified to the Issuer).

You are able to provide your TFN, ABN or relevant exemption online with the Share Registry at [www.investorcentre.com/au](http://www.investorcentre.com/au). When providing your details online, you will be required to enter your correct username and password and respond to any security questions. If you do not have an Investor Centre account, you can register for an account at [www.investorcentre.com/au](http://www.investorcentre.com/au) by selecting "Register Now".

### **9.10. Additional New Shares**

The explanations in this section in respect of New Shares also apply in the same way to the acquisition, holding and disposal of Additional New Shares

### **9.11. New Zealand resident Shareholders**

The taxation treatment of Australian financial products is not the same as for New Zealand financial products. New Zealand Shareholders should seek their own professional advice regarding the taxation implications of investing in the Issuer.

Dear Shareholder,

## **ENTITLEMENT OFFER – INELIGIBLE SHAREHOLDER**

Whitefield Income Limited (**Whitefield Income**) is undertaking a Non-Renounceable Entitlement Offer (**Entitlement Offer**) offer on terms and conditions set out in the Offer.

Under the Entitlement Offer, each eligible shareholder with a registered address in either Australia or New Zealand who holds shares at the record date of 22 May 2026 (**Eligible Shareholder**) will have the opportunity to acquire 2 new shares (**New Share**) for every 5 existing shares in the Company (**Entitlement**) at an issue price of A\$1.22 per New Share (**Issue Price**).

This letter is to inform you about the Entitlement Offer and to explain why you will not be able to participate in the Entitlement Offer, as the Entitlement Offer is only open to Eligible Shareholders (defined below).

**You are not required to do anything in response to this letter.**

Eligible Shareholders:

- a) are registered as a Shareholder at 7.00pm (Sydney time) on the Record Date;
- b) have an address in Australia or New Zealand as recorded on the Issuer's share register as at the Record Date;
- c) are not in the United States and are not acting for the account or benefit of a person in the United States (to the extent such a person holds Shares in the Issuer for the account or benefit of such persons in the United States); and
- d) are eligible under all applicable securities laws to receive an offer under the Entitlement Offer without any requirement for a prospectus, product disclosure statement or other formal offer document to be lodged or registered.

Shareholders who are not Eligible Shareholders are Ineligible Shareholders (**Ineligible Shareholders**).

The Offer will not be offered to Ineligible Shareholders. Whitefield Income has determined that it is not economically viable to make the offer to Ineligible Shareholders due to the cost of meeting compliance requirements with securities laws in each applicable jurisdiction in which Ineligible Shareholders reside. Whitefield Income reserves the right in its absolute discretion to offer the Offer to a Shareholder with an address in Whitefield Income's share register outside Australia or New Zealand if Whitefield Income is satisfied that it is not precluded from lawfully issuing New Shares to that Shareholder either unconditionally or after compliance with conditions which the Issuer in its sole discretion regards as acceptable.

According to our records, you do not satisfy the eligibility criteria described above. Accordingly, we wish to inform you that the Entitlement Offer will not be extended to you, and you will not be able to subscribe for New Shares under the Entitlement Offer.
